

Daniel Reyes

Operations Manager

Sacramento, CA · (916) 555-0188 · d.reyes@example.com

SUMMARY

Warehouse operations manager with 13 years on the floor, from picker to running a two-shift distribution centre. Took late shipments from roughly 1 in 5 orders to about 1 in 50, and replaced a monthly two-day inventory shutdown with two hours a week of cycle counting. Leads a team of 14 and hired most of it.

EXPERIENCE

Operations Manager | Cascade Distribution Co.

2019 – Present

Regional distribution centre.

- Cut late shipments from roughly **1 in 5 orders to about 1 in 50**, working with two shift leads to rebuild scheduling and handoffs.
- Replaced the monthly **two-day full-count shutdown** with a cycle-count schedule running about **two hours a week** — same inventory accuracy, no floor downtime.
- Runs a **14-person operation across two shifts** and hired nine of them; owns vendor and carrier coordination.

Shift Supervisor | Cascade Distribution Co.

2016 – 2019

- Took the site's **worst-performing shift on safety** to roughly **18 months without a recordable incident** — pre-shift briefings plus rebuilt pick paths that stopped staff on foot from crossing forklift lanes.

Warehouse Associate | Bright Path Logistics

2013 – 2016

- Order fulfilment across pick, pack, and ship. Forklift certified, and trained incoming hires on it.
